DRESS CODE

BVI maintains that the use of a uniform dress code is a necessary aspect of a successful learning environment. Students are required to wear the designated color leotard for their level. The only leotard styles allowed are spaghetti strap, tank top, long sleeve, short sleeve and cap sleeve; no crisscross back straps, rhinestones, mesh or lace inserts are permitted. Hair must be secured in a bun and away from the face and eyes. The only jewelry permitted is stud earrings. All students are expected to maintain a neat appearance. Dancers of all ages should wear clothing over their dance attire when outside of the building. Dance shoes should never be worn on any outside surfaces.

Dance with Me

Any color leotard, pink tights, pink ballet shoes, skirts and tutus are allowed.

Pre-Ballet, Beginning Ballet, Ballet A, B, C, and Beginning Tap

Light blue leotard, pink tights, pink ballet shoes, classical ballet bun, no jewelry, and black tap shoes are required.

Boy's Class

White t-shirt, black shorts, white socks, and black ballet shoes are required.

Attendance

Regular attendance of classes is essential in order to advance through the levels of study. If a student must miss a class due to illness or personal emergency, please notify the Directors prior to class time. Up to three missed classes per semester may be made up if there is an appropriate class available (same level or lower) within that semester. More than five missed classes per semester without a doctor's note or legitimate family emergency will result in reevaluation of level placement and possible loss of performance roles.

The Children's Program is for ages 18 months and up; it is the perfect introduction for the young dancer, instills a love for the art, and provides the tools necessary for success as a student progresses. Simply stated, this is where a dancer "learns how to learn." Through creative movement, the dancer continues to work on small gross motor skills in a fun and warm environment.

Class Placement

Upon taking a placement class, students will be placed in a level of instruction suited to their technique and comprehension. Advancement is decided by the Directors and faculty and is considered on an individual basis. Considerations often include a student's physical development with regard to injury prevention. Children progress at their own rate and should be rewarded for their own personal achievements without making comparisons to other students.

Private Lessons

Private lessons are available to students ages 6 and up. Ballet Virginia International faculty and guest instructors teach the lessons. Private lessons are \$50/per hour and semi-private lessons for 2 dancers are \$70/per hour. Cancellations with less than 24 hours notice will be charged the full amount. Payment is due at time of lesson.

Paying tuition on line

There is the option of paying tuition online.
