LOCAL BALLERINA EMBARKS ON PROFESSIONAL CAREER

Emily Brennan of Chesapeake has been offered and accepted a position with Nashville Ballet 2. Miss Brennan studied with the Nashville Ballet this summer and now will be moving to Tennessee by summers end.

Emily has been a student and honor company member of Ballet Virginia International's Performing Company for almost ten years. "Emily has always been a hard-working, dedicated, and intelligent dancer," said Janina Michalski Bove one of Emily's instructors and co-director of Ballet Virginia International. The instructors are confident that these qualities, as well as Emily's willingness to overcome challenges, her passion for dance, and her positive outlook will make her a great asset to the company.

The program Emily will be joining in Nashville will be her first major step towards a professional career. As a member of the second company of Nashville Ballet, she will be dancing in various performances, including major productions like The Nutcracker.

We are all proud of Emily and, although we will miss her greatly, we wish her love, joy, and many long and healthy years of dancing.
